### **RAM Technologies Supports Institute 2009 as Sponsor and Exhibitor**

**FORT WASHINGTON, PENN. – April 29, 2009** - RAM Technologies, Inc., a developer of revolutionary software to automate the administration of health benefits for payers is sponsoring Institute 2009 – the annual meeting of America’s Health Insurance Plans (AHIP). RAM Technologies is participating as both a sponsor and exhibitor at Institute 2009, which will take place June 3rd through 5th at the San Diego Convention Center in San Diego, California.

The focus of this year’s Institute is Health Care Reform. Some of the topics offered in the educational seminars include Payment Reform Initiatives, Comparative Effectiveness, Patient Centered Medical Homes, The Economics of Disease Prevention and more. This year’s keynote presentations will feature Senator Tom Daschle, former Senate Majority and Minority Leader; Jeb Bush, former Governor of the State of Florida; Howard Dean, MD, Chairman of the Democratic National Committee and former Governor of the State of Vermont; and John A. Kitzhaber, MD, former Governor of the State of Oregon.

Institute offers a wide array of educational seminars and workshops as well as special networking events and an exhibit hall featuring all aspects of the health insurance industry with over two hundred participating organizations from across the country and around the world.

“AHIP has demonstrated their importance in the healthcare industry particularly in these times of impending change. We are very proud to sponsor and exhibit at Institute 2009” states Christopher P. Minton, Executive Vice President of RAM Technologies, “we appreciate the opportunity to be a part of the AHIP organization and this event.”

RAM Technologies is proud to participate in Institute 2009 as both a sponsor and as an exhibitor. The RAM Technologies exhibition booth will feature demonstrations of their leading edge solutions HEALTHsuite® and *eHealthsuite*™. HEALTHsuite is an enterprise wide solution with fully integrated functionality to support all aspects of benefit administration, enrollment / eligibility, provider contracting and claims adjudication. *eHealthsuite* is the web portal product that provides self service access for members, providers, brokers and employer groups via a secure Internet connection.
