

For Immediate Release

RAM Technologies To Sponsor AHIP Institute 2008

FORT WASHINGTON, PENN. – June 3, 2008 - RAM Technologies, Inc., a leading developer of advanced enterprise software for the administration of health benefits, has announced their participation as a sponsor of America's Health Insurance Plan's (AHIP) Annual Meeting - Institute 2008. This year's event will be held June 18th through 20th at the Moscone Center West in San Francisco, California.

Institute 2008 offers a broad array of educational seminars presented by industry leaders. Topics range from Health Literacy to the Global Health Care Market to Value Based Purchasing to the Politics of Health Care. The keynote session presenters will include Tommy G. Thompson, former Secretary of Health and Human Services; William H. Frist, MD, U.S. Senator from Tennessee; and Steven D. Levitt, author of *Freakonomics: A Rogue Economist Explores the Hidden Side of Everything*. In addition to the broad selection of educational workshops and sessions, Institute will also feature a stunning exhibit hall of over two hundred organizations representing nearly every aspect of the health insurance industry.

"We are proud to lend our support to America's Health Insurance Plans and all of the work they do" states Robert Tulio, President of RAM Technologies, "we appreciate their efforts on behalf of the entire health insurance industry."

Within the RAM Technologies exhibit booth, patrons will be able to view feature demonstrations of HEALTHsuite® and *eHealthsuite*™, RAM's innovative software solutions. HEALTHsuite is a user-friendly intranet application suite that maximizes a health plan's operational efficiencies by automating benefit administration, eligibility / enrollment, provider contracting / reimbursement, medical management, premium billing, care management, claims adjudication, subrogation and more. *eHealthsuite* is a web portal that reduces demands on a health plan's customer support personnel by providing real time, self service access to information for members, providers, brokers and employers via the Internet.

About America's Health Insurance Plans (AHIP)

AHIP is the national association representing nearly 1,300 member companies providing health insurance coverage to more than 200 million Americans. Their member companies offer medical expense insurance, long-term care insurance, disability income insurance, dental insurance, supplemental insurance, stop-loss insurance and reinsurance to consumers, employers, and public purchasers. Their goal is to provide a unified voice for the health care financing industry, to expand access to high quality, cost effective health care to all Americans,
